About Card

Established and registered in the year 2000 under the Societies Registration Act 1860, Centre for Agriculture and Rural Development is a premier Non-Government Organization, playing a vital role in the national efforts of developing India through agricultural transformation. CARD is committed towards reaching out to all parts of the rural society, especially the farming community. CARD also participates actively towards improving the quality of life of rural masses by addressing technical, economic policy issues related to the development of agriculture and rural society.

Vision

To play a vibrant role in the national endeavor of developing rural India through technological transformation and market led development; and participating in addressing policy, financial, development, market, technology, resource and capacity building related needs for livelihood security, farm profitability and sustainability of our environment and agriculture.

Encourage and facilitate rural communities to adopt an integrated approach to agriculture and work towards achieving better returns and economic success in the face of Liberalization and Globalization.

Mission

Objectives

- To create and sustain an environment conducive to the growth of agriculture and rural sector.
- To foster the partnership with industries and Govt.
- Technology dissemination through training, exposure visits, seminars and fairs.
- To conduct the surveys and studies in and adopt villages for sustainable development.
- Empowering farmers via creating awareness through various campaigns.
